

Thank you for your interest in job opportunities with the Clean Water Project.

The Metropolitan District Human Resources Department handles all job opportunities for the MDC's Program Management Unit. The Program Management Unit is in charge of the Clean Water Project (CWP).

The CWP is still in the design phase with major construction activities planned to begin in 2008. At this time the Program Management Unit has **no vacancies** to post. However, you may contact one of the local agencies listed below for employment training opportunities and referral services.
